ALIREZA MAHDAVI

MOTION DESIGNER

Tehran, Iran | halirezamahdavi@gmail.com Portfolio — imahdavi.space

SUMMARY

Motion Designer with 4+ years of experience in motion design and UI motion using After Effects, along with some experience in visual design and hands-on short-form and long-form video editing. Experienced in creating social media motion, logo motion, promotional teasers, and web interactions for in-house teams and agencies, and in using AI tools to speed up production on select projects.
